## STOCKS CLOSE DULL WITH PRICES DOWN

Tractions Fall from Favor and List Weakens, with Metropolitan Leading the Losses that Are General.

Lack of public interest in stocks and the weakness of tractions and Amalgamated copper, brought the market to a low level to-day, while trading eased ff to positive duliness. There yas little doing at the close, and prices showed losses averaging from one to four points

The tractions' suddenly fell from high favor when the Metropolitan deal had been thoroughly canvassed, and traders scepted the Wall street view of the situation. Metropolitan led in the slump, tumbling in the initial dealings day's loss being 3 3-4. The drop in securities was almost as pronounced, Tammany nominee is one of great im-

and that of the Securities 77. Manhattan closed down 11-4 and Brooklyn Rapid Transit 1 per cent. St. Paul, Rock Island and St. Louis and San Francisco second preferred were the alef losers of the railroads, they being

The market opened with some prom ise. A number of the issues showing gains, but when the short interest, which was in evidence, had ceased covering, the professional contingent lim-

Central stocks were down a shade. In the Industrial list the Steel issue lost from 1-4 to 3-8. Tennessee Coal & Iron suffered a loss of 11-4 per cent. at 42. [Baltimore & Ohio, Pennsylvania and Reading each lost 3-4, while Missouri Pacific was down 7-8 and Canadian. Southern and Union Pacific 5-8. Atchisouthern Railway preferred.

American Smelting and Refining and Southern Railway preferred.

American Smelting and Refining and Contact Contac Amalgamated Copper's last quotation was 483-4, being 11-8 down. Chicago Great Western, Louisville & Nashville, Ontario & Western and the Wisconsin Central stocks were down a shade. In the Industrial list the Steel issue lost trict-Attorney Jerome.

In Central stocks were down a shade. In the Industrial list the Steel issue lost that the cast side which were drawn to the Low movement two years ago by the Vigorous campaign methods of District-Attorney Jerome.

In Central stocks were down a shade. In the Vigorous campaign methods of District-Attorney Jerome.

In Central stocks were down a shade. In the Vigorous campaign methods of District-Attorney Jerome.

The total sales of stocks were 233,400 thares and of bond \$1,202,000.

## LOW TO STAND FOR FUSION; GUGGENHEIMER, TAMMANY?

LOCAL MAYORALTY SITUATION AS THE POLITICIANS SEE IT.

Mayor Low is almost certain to be renominated. The Greater New York Democracy and the German-American Reform

Union will not stand for Low. John C. Sheehan and Herman Ridder will probably support the Tammany Hall candidate.

The man in the field for this nomination whose chances look rosiest is Randolph Guggenheimer, who returned from Europe to-day, The chances of Col. George McClellan appear to be dead, as the im-

pression has gone out that he is Charles F. Murphy's personal candidate. meant to be pushed down the throat of Tammany Hall. Bird S. Coler called upon Charles F. Murphy at Tammany Hall to-

(Continued from First Page.)

After a short visit he will return to any other man in the field, District-Attorney Jerome included. Wantage."

Tammany May Go Outside.

More talk was had with Mr. Guggenheimer about the pending Mayoralty "Should the Fusion movement de-

velop extraordinary strength," he said, "I would not be a bit surprised to see Tammany go outside theorganization for a candidate and nominate an independent Democrat of high character." Randolph Guggenheimer was Presi-

## LIQUOR MEN DID NOT ATTACK LOW.

Lipuor and Beer Dealers' Association this class. They are now bronzed, hardy of the central body repudiate to-day the follows with muscles of iron, and the \$5 resolutions condemning Mayor Low said to have been adopted at a recent meet, from going hungry. But each have being o fthe association.

Patrick J. O'Keefe, Financial Secredent of the City Council duri the Van olutions are bogus. They are vituperative and cannot be credited to us. Our tary of the Association, said: "The resassociation has not had a meeting since of Tammany Hall and has wide inter-the second Tuesday in August, and will not again meet until we are called to-His name has been mentioned many gether next Tuesday at Terrace Garden. times in connection with the nomination if the published resolutions or any resoted its manipulations and trading fell that Col. McClellan appears to be out they will be at once repudiated. The

## CONFESSES GUILT.

Enters Plea to Five Indictments for Burglary, but Recorder Postpones Sentence.

Harry Brooks, alias Robinson, whom the police style "the gentleman burg- annual convention of the National Aslar," and declare he confessed to thirty-

retained by the mother of the defendant, entered the plea. Brooks pleaded guilty at the solicitation of his mother, who for a week has haunter the Criminal Courts Building working in behalf

When his pedigree was taken at the direction of Recorder Goff, Brooks said he was a baker and had served a term of three years in the Connecticut State prison for burglary.

"Was that the only time you were in "Was that the only time you were in prison?" the Recorder asked.
"I served three years in Trenton for manslaughter," Brooks replied, referring to the sentence he got for accidentally killing a woman with whom he was living at Long Branch.
At the request of Mr. Waldhelmer Brooks was remanded until Friday for sentence. He can be sentenced to Sing Sing prison for a term of forty years on the five indictments.

### THE COTTON MARKET. There was an active trade at the

pening to-day and considerable weakat Liverpool were reports of heavy Egyptian speculative selling in that mar-ket. Prices eased off several points more and then railled slightly on cover-

The opening brices were: September 1.61 to 11.64; October, 10.65 bid; November, 10.37 bid; December, 10.33 to 10.34 January, 10.20 to 10.30; March, 10.29 bid The closing prices were: September 1.52 to 11.53; October, 10.51 to 10.52; November, 10.23 to 10.24; December, 10.21 to 10.18; February 10.13 to 10.16; March, 10.13 to 10.14. The market closed barely steady.
